PENDANT LIGHT

tele | s k o p e PENDANT LIGHT

Illuminate your world with the new metal pendant light by fe studio. Whether it is kitchen, living room or office space, skope adds sophistication & elegance. The light spread out has a softening effect as we chose a mocca shade for the interior of the fixture. For the outside we offer 11 different colors to match your design style, from classic to vibrant tones.

fe studio takes items we use on a daily basis and carefully reshapes them; as we wish to submit design as a way of life. Our need for aesthetics, the beauty in detail, the joy of color, ergonomics and functionality ; all these are part of the design language of fe studio.

All items are handmade, manufactured in local factories.
